To The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

I have the honour to forward for the administrative approval of the Government plans and approximate estimates amounting to Rs.3,300/- for the construction of two bed rooms with bath-rooms on the roof of the second block of the Nurses' quarters attached to the Government Headquarters Hospital, Bellary. At present, accommodation is available at the Nurses' quarters only for six nurses. The employment of an additional nurse (7th nurse) has been sanctioned in G.O.No.Ms.3893 P.H., dated 8-11-1938 to the hospital referred to and accommodation is not available for the holder of this additional post. Hence, the construction of two bed rooms with bath rooms over the

roof

roof of the 2nd block of the Nurses' quarters at an approximate cost of Rs.3,300/- is quite essential. Under these circumstances, it is requested that the Government will be pleased to accord sanction to the estimates forwarded herewith. A provisional rent data statement is also enclosed.

The present nursing staff of the Headquarters Hospital Bellary, consists of 4 permanent and 3 temporary nurses. There is accommodation for six nurses in the nurses quarters. One bed room with a bath room is therefore sufficient to accommodate the seventh nurse. The Surgeon General is requested to state where the temporary nurse sanctioned in G.O. No. 3893 P H dt 31-10-38 is now staying and why that arrangement should not be continued. If it is

Ref:-Government Memorandum No.16329-2 D2.P.H., dated 27-6-1939.

I have the honour to state that the temporary nurse sanctioned in G.O.No.3893 P.H., dated 31-10-38 is now occupying the junior sub assistant surgeon's quarters within the compound of the Headquarters Hospital, Bellary. The District Medical Officer, Bellary, reports that additional accommodation for this nurse is necessary and that the approximate cost of constructing a bed room with a bath room on the first floor of rear block of the nurses quarters will be Rs.2270/- and that the Executive Engineer will prepare detailed plans and estimates

estimates only if there is the probability of funds being allotted for the work. As there are very many other items of urgent works for which provision of funds has to be made during 1940-41 the above proposal can bear postponement until next year. In the meanwhile the temporary nurse will continue to occupy the junior sub-assistant surgeon's quarters.

PUBLIC WORKS DEPARTMENT

The proposal is to construct two additional bedrooms with bath rooms attached for nurses in the Govt. Head quarters Hospital Bellary at an estimated cost of Rs. 3300/- There accommodation for six nurses at present. An additional post of a nurse for this hospital has been sanctioned temporarily for one year from 1-11-38.

Vide p l c /

no 3293 P.H dt (I)

Accommodation is therefore now required only for this one additional nurse. This dept. may therefore suggest the omission of one bedroom and one bathroom out of the two bedrooms and two bath rooms proposed. As the post is only temporary for one year it is perhaps too soon to think of constructing quarters even for this additional nurse.

The file may be sent to E+PH dept. through Fin. for consideration.

20/5 20/5

The additional nurse sanctioned in G.O. 3893 P.H. of 31-10-38 is likely to be required permanently. At any rate she has to be accommodated so long as there is sanction for the post. The construction of two bed rooms and two bath rooms for the purpose requires justification.

Finance (E.I.)

Please ~~xxx~~ see the Surgeon-General's letter in c.f. It is not clear why two bed rooms with bath rooms are necessary for one additional temporary nurse sanctioned for one year from 1-11-38 -- see G.O. No. 3893 P.H. dated 31-10-38. One bed room with a bath room should suffice, but even so it ~~does not seem~~ is not usual to construct quarters for temporary nurses.

2. It is not stated where the temporary nurse has been staying from 1-11-38. It may be ~~xx~~ with some one of the six nurses for whom quarters already exist or in the Junior Sub-Assistant Surgeon's quarters which

(I) is now occupied by two nurses -- vide K on page 2 of G.O. 202 P.W., dated 2-2-38. Wheresoever it may be, it seems that the ~~xxx~~ existing arrangements may continue, the question of constructing quarters for the nurse being considered, if ever, the post is made permanent.

Cs 2/6/39

With the above remarks, the case may be passed on to E.P.H.

2SA 1.6.39 1.6.39. The construction of quarters in the Bellary Hospital proceeds in a haphazard way. Two of the permanent nurses were occupying the junior Sub. Asst Surgeons Quarters. [Separate (K) Quarters at a cost of Rs 3,400 were sanctioned for these two nurses in G.O. 202 P.W. d 2-2-38]

Finance do not agree to the proposal for the construction of quarters for housing the temporary nurse sanctioned in G.O. No. 3893 P.H. dt 31-10-38 as they consider that it is not usual to construct quarters for temporary nurses.

vide p2 ante

2 Prior to the sanction of a temporary post of nurse in G.O. No. 3893 PH dt 31-10-38, the nursing staff of the Headquarters Hospital, Bellary consisted of 4 Permanent and 2 Temporary nurses.

(I)

In G.O. No. 202 PW dt 2-2-38, the Govt sanctioned the construction of quarters for two nurses as there was then accommodation in the nurses quarters for only four nurses and the other two nurses had to occupy the quarters of the Junior Sub Asst. Surgeon. It would therefore seem that the Govt have conceded that it is not unusual to provided quarters for the temporary nurses in the hospital.

It is very likely that the Temp. post will eventually be made Permanent.

3 The Surgeon General may be requested to state where the temporary nurse has been staying and why that arrangement should not be continued.

If it is not possible to ~~Continue~~ the existing arrangement he may also be requested to submit revised proposals for the construction of a bed room with a bath room ~~if Finance have no objection~~ for housing the temporary nurse sanctioned in GO NO. 3893 P.H.D 31.10.1938, in the nurses quarters.
